

DO YOU **CONTROL** PTO VISIBILITY AND ACCESS?

CONTROL PTO COMPLIANCE

- There are countless PTOs issued with no way, traditionally, of monitoring compliance. Everyone is on the trust system until they get caught.
- The confidentiality of documents is at the mercy of those who receive them. This includes opposing counsel, the court system custodians, expert witnesses, and other third parties.
- WindTalker enables you to control PTO compliance. You know when, where and who accesses any PTO-protected document.
- Access to PTO documents can be revoked at any time.

“THE VALUE OF WINDTALKER to the business and its users is not just more or better security — WindTalker reduces steps in the workflow to protect and share information, creating significant ROI to the business. Better security that drives lower cost!”
