

CAN YOUR CURRENT PROCESS DEFEAT WAIVER ARGUMENTS?

DEFEAT WAIVER ARGUMENTS

- Whether by your own staff, a mistake made by a court custodian, or that of a third-party litigation support company (*for which you are responsible*), privileged documents can be (*and frequently are*) inadvertently disclosed.
- When this happens, the Magistrate will determine whether you took reasonable care to protect against the conditions that caused that waiver.
- WindTalker protects all documents from the moment they touch your hands until the case is over. If disclosure to an unauthorized person occurs, WindTalker proves you employed state-of-the-art cyber-protection to prevent and protect against waiver.

“THE VALUE OF WINDTALKER to the business and its users is not just more or better security — WindTalker reduces steps in the workflow to protect and share information, creating significant ROI to the business. Better security that drives lower cost!”
