

HOW WELL DO YOU **PROTECT** SACROSANCT PRIVILEGES?

PROTECT SACROSANCT PRIVILEGES

- Almost every digital document in litigation warrants some level of protection.
- Attorney-client, spousal, patient-physician, and many other privileged relationships produce Work Product that is private, confidential, and proprietary. All of these documents must be listed on the Privilege Log and covered by a PTO.
- WindTalker provides essential, document-by-document, paragraph-by-paragraph, line-by-line, word-by-word protection.
- Remove human error and the risk that it introduces by automating your privilege log.
